1. Who do you want to do what with today? Is it your choice, or Mine, or does it matter in the scheme of eternity? Or what is eternity and whose scheme, or is there one, and what about how you do what with who and how all fits together in the grand plan/heart of Father?

2. What is truth and where do you find it and how do you know it is, when you find/discover/locate it?

3. **What is going on as this year ends and another one, a new one, begins?** How, why, and who is behind what and what who are the forces intervening/having effect here and now and new year coming?

4. What are you doing with your time, or do you have one? Or two? Or having many? Many?

5. And why thinkest thou that science reigns supreme and your intellect is so sophisticated/advanced?

6. Why will you come/go to others faster/more often than to Me to answer/ask questions that will take your further faster higher and into My arms/realm?

7. **How does/will this new year change and why and how does it affect Me, you, and My brethren, your brethren, who one are, seen and unseen?**
Yea, what do you want to know, or think you know, or do you know it all/anything?
Where will your hand touch this year, season, dispensation, that all changes?
I love you.

8. Where are you going and into whose realms will you reside in fullness and knowledge of their knowledge? Who what worshipeth you this new season that cataclysmic is?

9. It all comes to an end so soon; an end, or a beginning?
Or does one/do you/can you tell, ascertain, discern the difference and how it affects you/your brethren?

10. What are you willing to lay aside to ask/have the right questions to ask, and propel your inquisitiveness/maturity?

11. Why leaneth on another when into you I have given all and placed Myself and, can you not remember My name? I love you still.

12. Who will you come into for what as altogether newness reigns in terror for some and happiness eternal for some?

13. Yea see Me and My words/questions and propellest thou thyself in thine own quest for education/money? And what will you do with them in/for eternity and what is eternity made of and how will you spend it?

14. Why comest into your brethren for what I have given you?
Need you a mirror to show who/what you are? Not as thought, not as told, not as perceiving with your mind/eyes of man; but who can see, read, hear, feel, know, live experience the reality of what you are/I Am?

15. Why succumb you to the lower/lowest levels of self abasement/adulation?

16. Who are you given, betrothed to, and who are you now marrying, whether by default or design?

17. What can you see in My words of words of words that I proclaim and teach and show and reveal and publish into your heart daily, if you let Me, if you let Me, if you let the King of kings, God Almighty Most High **Creator of heaven and earth and Genesis 1 man-woman, one in My kingdom,** to reign forth in My stead not without Me, but with Me being Me and us in the most heavenly rhapsody imaginable by those who My kingdom can see and be a part of?

18. What are you doing with your power, bowing so low to those who have no power/authority over you whatsoever?

19. Why are you surrendering your reign of Kingship/Christship/surrenderhood, Me-ship royal to those abased?

20. Why will you come into My bosom not to see My beloved, in your mirror; yea you seeing you the first time even, like/as I see you, who you really are with all your beauty, splendor, majesty, the way I made/created you and every stone appearing Mine?

21. Yea I love you still, you are a priest in the order of Melchizedek, yea still of surrendered in righteousness you accept My meekly bestowed gifts/design.

22. Yea thank you for even considering this preciousness/preciseness of these words from Me to you this day as all changes and rules reign not, but all authority dominion and

rule (1) are put under My feet (2) and I hand all to Father (1) for His kingdom to be complete in majesty, dominion and splendor of only Him/His heart.

23. Yea, He desireth so much for Me/you/all and has given all of us into each other.

24. See what I have said.

25. I love you deeply. Who do you what want for each other and how will you let Me arrange words on paper, yea in your mouth, yea in your library/holy of holies, this day as you release Me to be Me and hold My mirror before you so you see not dimly but crystally clear, yea transparent'd by My righteousness, love, and dominion not domineering but surrendered to your every want/surrender. I love you.

26. My bride are. I love you.
My body are. I love you.
I give you My kingdom, yea for your selfishness not, but promotion of **your brethren, for who you give your life to/for, yea near and far and who is Me; And eternity how long? And where is it served/experienced? Yea the kingdom of heaven is in/upon and about you and you are in; can you see?**

27. I have stated much and diamonds are, yea and so much more valuable/key. I love you.

28. Enter Me this day for collusion not but collision with much tradition and hierarchy of man over men, women, and children; for I free My design and 2006 is so cataclysmic and are you ready?
Are you ready for Me appearing in Me? And operating in My kingdom transcendently yea beyond time-space-dimension'd thought? I love you.

29. Free Me, for I am Free, Freedom, and what is your name and what were you made for and where do you flourish and how?

30. Yea I have given/am giving My answers day after day to penmen simple, **yea women who love Me, men who serve Me not in activity/mammon** but men/women/children full grown who see, feel, and yea become Me at the crack of dawn; yea before, yea and who leadeth them? Yea, I do? Or Father does? Or who are you for how long waiting for the future/now to arrive?

31. Yea I see/say all and can you adapt/adopt or yea will you surrender into your/My design and **operate in the seamlessness of the holy of holies within/without** and operate in forever'd eternal'd yea exploring with Me in the great adventure? Yea, Father's heart given, and who receives His hand/heart this day? Will you now? In this new year? Yea come unto Me, for rest, for rest? For all, I Am.

32. You are complete in who where why when how and yea, you choose how all these are answered and **yea I have given you My all. You are, My all.**
See. Yea hear.
Yea surrender.

33. I love you so. Thank you for not cutting your hair.
I love you.

34. See Me simple, not complex; wholly given to you, My creation.
I love you. I love you. I love you more.

Me.
